“ Don't mourn for the cocoon, for the butterfly has flown. This is my sentiment. Mitchell was like a butterfly in our lives. One that lights beside us on a pretty day and for a brief moment who's glory and beauty belong to our world and enjoyed by many but then files again and though we wish he could have stayed we feel lucky to have known him. His body remains but, he has flown away. Love you brother, until we meet again.

“ Betsy, Todd and all of the Swanson family
May each of you feel the peace and comfort
that only our Lord, Savior can give. He is now
with Shirley knowing each other with clear
minds, healthy bodies and visiting others that
went before Mitchell. Love you all Judy
