“ *Mr. Vaughn and Ms. Norma "Jeanette" were my family. I could have never asked for 2 more loving individuals to be in my life at the absence of my own parents and grandparents. It took me a moment to write this because my heart was in denial. I'm going to miss our lunch dates and hugs. Robert was the most sincere, God loving man I've ever met and I thank you Sandy, Greg, Shannon, Jeff and family for sharing him with me. I take solice in knowing that he is reunited with the love of his life and God. My love and prayers to you all.*

“ When I joined Meridian Senior Fitness Class Mr. Robert was one of the first to introduce himself. I had made a friend real quick when I told him I was born in Porterdale moved to the country when I was 10, he said he was born in Porterdale. A gentleman for sure, counted his hugs to tell his son how many he got that day. Sending Love & Sympathy to the family. Definitely will be missed. 🙏🙏

“ It was such an honor and privilege to get to know Robert while attending the Meridian Park Senior Fitness Class with my aunt, Eloise Long. She and Miriam Hardy, were the same age as Robert and the three of them had such a great time exercising together. Each has passed onto glory now and have hopefully formed an exercise class in heaven. I told Robert that I hoped he would be among the first to greet me in heaven someday as he had such a wonderful smile and welcoming hugs, and always made me and everyone around him feel so very special and loved. The light of Jesus Christ shown brightly through Robert who is now with his Lord and Savior, as well as with his beloved wife of so many years, and with other family and friends who have gone before him. My prayers remain lifted up for those who are left behind to grieve the physical loss of Robert, especially his family, whom he loved so much. May God bless each of you.

“ *I was a pleasure and an honor to have known Robert as a friend and a man of God. He loved the Lord, Family and everybody. Robert often said that he never met a stranger as he and his wife traveled the United States. I believe this to be true because wherever he went, people gravitated to him. Robert would often invite them to church and give them a church's business card with the name of the pastor and the address. I enjoyed listening to his life story. It was a great lesson in American History. I will miss our conversations and the opportunity to have another lunch together.*

“ Robert reminded me every time we spoke, or got together, to enjoy life. He had a unique laugh that was very contagious. I'm glad our paths crossed in this lifetime, and hope to cross again somewhere down that road. To his family, and countless friends over his time here, I'm truly sorry for y'all s loss.
