“ *I am so sorry to hear of Bobby's death. I will always remember his adorable smile and lively spirit. I saw him many years back at Trakside and was so happy to see him as I don't get back to Decatur that often or see that many "Decaturites" anymore. My thoughts are with the family.

“ I have many wonderful memories of Bob. He and Jessica walked with Kathryn and me immediately after our wedding on our way to the reception. He was a frequent visitor to my home. I have the honor of Bob asking me to be his best man when he was married to Betsy. He was a great conversationalist on many topics. I enjoyed being his friend.

“ I was very sad to hear of Bob's passing. I worked with Bob for several years at the Turner funeral home in Deatur and enjoyed his friendship. I remember when my father passed away in 2007 and Bob drove up to Cartersville to attend his funeral. That meant a lot to me and I will always remember his kindness. Peace be with you Bob, see you on the other side.##imported-begin##Kevin Ledford##imported-end##

“ I knew Bobby for about 20 years but I will never forget the call he made to me five years ago, shortly after I bought Trackside, and asked me to come over to his house. He gave me the Sid Bream World Series photo because he wanted it returned to its rightful place at Trackside. We drank a toast in his kitchen to the friends and good times we had at our favorite tavern. Over the years, my dad, George, played many games of pool with Bobby and I will always remember the friendship and respect Bobby had for him.##imported-begin##Doc Al Czarkowski##imported-end##

“ Bob was a kind and caring friend always ready to offer help and be supportive. He was always thinking of a way to make things work better and I knew that he was probably right. Bob was always looking for the facts and we could rely on him for the right answer. His friendship, knowledge and humor has had an impact on our lives that can never be forgotten.###imported-begin##Glenn###imported-end##

“ I have so many wonderful memories of Bobby from playing soccer through the years, going to New Orleans for Jazz Fest, attending all the great concerts and other shows/games, and hanging out at Trackside and Corner Pub. Bobby has been a dear friend for so long. His smile, great sense of humor, appreciation/knowledge of music, and gentle spirit will be missed. He was always up for sharing a good time. I regret that being out of town will force me to miss sharing in his tribute on Saturday. I will always remember Bobby from the picture I have of him as we attended the '94 World Cup in Orlando. Bobby had a big smile on his face as he wore a fez on his head in support of the Moroccan team. He was always coming up with something unexpectedly funny.

Take care my friend!###imported-begin##Rusty Godwin###imported-end##

“ Spread your wings, Bob. Say hi to Wally, Ralph (both of 'em), Chad, Betsy, Trackside, and everyone else up there. You are free now and will be really missed. Thank you for loving me, showing me what life is all about, and being so very good to me. You will be forever in my broken heart, but I know it's what you wanted and your demons were much too big for any of us. RIP and know that I forgive you for everything, including your democratic butt. I will look for your Soul Shadows (Joe Sample)...I love you, sweetie.##imported-begin##Jessica Martin##imported-end##

“ Please know that Bob will be missed by so many people. We will all miss his wicked sense of humor, his great taste in music and his friendship.

I cannot remember not knowing Bobby. Our friendship goes back well over 30 years. There are so many memories, but what comes to mind most often is all the laughter shared with Bobby down through the years. He could always put a smile on your face.

My condolences to all in the Mills family and all those who will miss such a special person.##imported-begin##Leslie Lindholm##imported-end##
