“ My sympathy to Cale's family. He left here way too young. What I will always remember is that Cale had a big voice in a "not so big" body. And I mean that in the kindest way. He had near perfect clarity, enunciation, and diction when he spoke on the radio. When you were speaking to him you knew he would give you all the facts about your call, be clam, courteous, and respectable. It was comforting to hear his voice on the other end of the radio. Cale was a professional all the way.##imported-begin##Phil Wages##imported-end##
