“ Faye, you were Bobby's whole life. Thank you both for taking care of my brother in wholeness and in sickness. I know he was not always easy to live with, but you loved him unconditionally. Like all couples, you had your ups and downs, but ya'll stuck it out and lived till death parted you. I will always remember how you took care of him and carried out his wishes.

Cody, Bobby was so proud of you and he could not have been happier to have you as his son. I never heard him say a cross word about you. He loved you with all his heart.

Mama, it is not fair that you should have a child die before you yourself have gone, but God never promised life on earth would be easy. Just have peace knowing that he is in heaven, and you WILL see him again.

Bobby, my brother, I love you. Rest in the peace you deserve.##imported-begin##Carolyn Hutchins Chapple##imported-end##
