“ Robin I am so sorry to hear about the sudden passing of your father "Bob". The email you sent me regarding your last visit and memories of your dad waving goodbye brought tears to my eyes. I lost my dad recently as well and I know the pain one can feel regarding the loss. I also know that a father and daughter relationship can be so very special and I hope you and your dad had one of those special relationships. You and your family are in my thoughts and prayers Robin.

“ I have gotten to point in my life where that I read the Obituaries somewhat regular these day, since I seem to being losing friends on a regular basis in the last couple of years that I have known and I wondered that sometimes here for the grace of God go I...

But, on this Friday evening, I was confronted by the death of a good man....I first met dating his daughter in college and later in life I came to know him for a brief time...and although it is a part of life to lose those that brought you into this world, it will never be easy...my thoughts go back to the song that the “Circle Will Be Unbroken...” I hate to see her go...”

My heart and prayers goes out to you, Mrs. Clemons and your family...he was a good man and we will all miss him...

“ Bob and Era were great neighbors of ours for many years. We have wonderful memories of Bob sitting on our front porch singing with our son, Tim, as he played the guitar. Bob had a great smile and all the neighborhood kids loved him. And Bob made the worlds best home made ice cream. We will miss him. Our thoughts and prayers are with Era and the familty.##imported-begin##Fritz and Peggy Kutsch##imported-end##

“ "Mr. Bob" as we (at Sony) affectionately referred to him, was a roll model to me and many. His wonderful smile, wisdom, professionalism and the "gusto" for life he had was an inspiration to all. That man could play a round of golf. The patience he had for those of us with double digit (+ 10 or so) handicaps and the passion he had for the sport was awesome. I loved Bob and feel blessed to have had the chance to work with him, get to know his family (especially my close friend Kim), and share a few memorable rounds of golf with him.

With my love, thoughts and prayers, I'll miss you, Mr. Bob!
