“ Adair & Family,

We are so sorry for your loss. You lost a dear husband, father, grandfather and great grandfather. Our family has lost a wonderful friend. Bob found great joy in his family and could not be more proud of his children and grandchildren. May you find comfort in knowing how much you all meant to Bob and how much he knew he was loved by all of you. We will miss Bob. He was more than a friend to my family. To us he represented strength, wisdom, gentility, kindness and love. Please know that our thoughts and prayers are with you during this difficult and sad time. “ Jessie, Austin, and I will miss a wonderful grandfather and great grandfather. Pop pop was very proud of his family--above all else.

I will never forget "pop-pop" talking my dad into letting me cut the grass for the first time, playing checkers, and taking me fishing in the ohio river as a kid.

Nanny, Dad, and Barry--You continue to be in our prayers.###imported-begin##The Almy Family###imported-end##
