“ Kathy,
I am so sorry to read about your dad in the OKC paper. By recognizing your maiden name and Summer's name, I was able to put it together. Don't know if you will remember me from long ago but I have often wondered where you were. My prayers are with you and your family.##imported-begin##Martha McCuddy##imported-end##

“ *Dear Bob:*

You were a great man, a great father and a great brother-in-law. It was so wonderful to have you as part of our family and clan. I will never forget the many Kelly family reunions that we shared and the many winter months that I spent at your home through the years.

God's Blessings
