“ Loretta, I loved him so much as I love you too. Thank you for the story of me and Louis. I love it and will always remember how sweet that was. I know how hard it was for you over these hard years but God will surely repay you in his own way. We will all miss him but he is happy with all the others that have passed before him. We will see him someday soon. I love you girl and all my family. God bless you and all of us..##imported-begin##Pat & Herman Fox##imported-end##
