“ Barbara & Family: So sorry to learn of Bobby's passing. Seems as though it was yesterday, when I first met Bobby in March, 1965. I was a new employee at Kraft, and Bobby, as his personality was, was one of the first people I remember, as a young salesman in the big city. His memory has been valuable and lasting. I know he will be missed, by his family he loved so much, and his close associates. May God be near and comfort Y'all in the coming days is my prayer.... “ I was with Kraft Foods in the Atlanta Division during 1972 through 1977. I knew Bobby then and have had many conversations with him and other Kraft men about him. He was a great salesman and a great friend to all who knew him. Dan MacKinnon and I were speaking about him just last Wednesday, reminising about the good old days and Bobby's name was a part of that conversation. Rest in Peace old Friend!##imported-begin##Don Cheshire##imported-end##

“ *Barbara and Family, I don't need to tell You how much Bobby has meant to us all these years. We are all family and a special bond has evolved through the years with all the "Saturday Night Gang" and their children. Our hearts are aching knowing we'll not see him again on this earth, but we are excited to know we'll see him again one day. We will always be here for you. We love you.
