“ Thanks for a man and family dedicated to service of our great nation and their communities. I only know your family by my connection with David Chatham, who is a God-fearing, fine man of character. That is enough to tell me that the Apple does not fall far from the tree. May God bring you peace and comfort at this time.

“ Uncle Roddie you were one of my favorites although we didn't see each other much over the last several years. You had me convinced that you worked for Boss Hog of Dukes of Hazzard. Probably until I was in Middle School. Say hey to my Grandma and your brother Grandpa Roe Jr. I was always proud the fact that I had family that served in every war since the Revolutionary War, and you even raised sons that served as well. Thank you for your service, and thank you for the great memories back when I was growing up. Sorry I didn't come visit, that's another story for when I see you again. God bless you and Aunt Son-e and your boys and grandson. Love Bryan.....
