Roger D. Peele of Dacula, Georgia passed away peacefully in his home on Thursday night, January 19, 2017 after a very long battle with chronic leukemia. Roger worked with his wife in their accounting and tax practice in Gwinnett County since 1984. He is survived by his wife Arlyn, four daughters, Kimberley (and husband Leo), Pamela (and husband Robert), Hannah and Emily, and two grandchildren, Isabella and Leo. His family will be celebrating his life privately and no formal services are planned. Roger's life is being commemorated through the funding of a preservation project for one of the Outer Banks lighthouses as the North Carolina coast was a favorite destination of his and the visiting and photographing of the light houses was a lifelong hobby. Tax deductible contributions can be made payable to "National Park Service" and mailed to: Peele & Co., CPA's, 386 Hurricane Shoals Road, Lawrenceville, GA 30046. As soon as the park service is able to organize Roger's specific project, the funds will be forwarded to the organizing manager in North Carolina. Arrangements by: Tim Stewart Funeral Home: 300 Simonton Rd. SW Lawrenceville, GA 30046. 770-962-3100. Please leave online condolences at www.stewartfh.com

“ *I knew your Dad in high school. The one memory I have was when he chipped his tooth at our football game and went to the Homecoming Dance that way. We felt so sorry for him! My Mother and your grand-mother were good friends and I can still picture the Peele home off Garden Street in Titusville. Treasure the memories. My thoughts and prayers are with you.*

“ *To the Peele Family:*

Grief can be so hard, but our special memories help us cope. May the memories that mean the most to you live forever in your hearts. And may the "peace of God that surpasses all understanding" comfort and strengthen you. (Philippians 4:7)

My condolences.
