“ *I miss you my brother-in-law best friend. You never betrayed me and your brotherly love was there for me from day one!! Thank you for being my defender and always putting aside what you were doing just to talk and listen to me. My heart hurts knowing I'll not see you until I get to heaven and feeling the emptiness where your life took up space there. Continue to watch over us and give us life hints along the way. I'm sure we will know it's you.*
