“ I worked with Roger for many years in maintenance in the AK5 and 9 Acct storerooms. We were one big happy family back in the "good ole days". We shared some great times, including home grown tomatoe sandwich lunches, runs to the Varsity downtown and our wonderful Thanksgiving and Christmas lunches. Lots of good memories. Roger left a good mark and will be missed.##imported-begin##Debbie Bailey Scarbrough##imported-end##

“ Peace be with you: It is hard for us mortals to lose one we love but Roger has reached the final goal. Happiness forever. We played golf and I'm sure had a few beers somewhere, during our years with Western & Lucent.
