“ To the Swords family & Shelly:

I am so sorry to hear of your loss and especially during this holiday season. Your families are in our prayers.

I do not know the circumstances surrounding your loss, however my husband & I both have lost our mothers to cancer in the last year and nothing can prepare you for the loss of a loved one. Just always know there is peace in knowing they are in a far better place.

Shelly, I would love to hear from you. I haven't spoken with you in so many years and have often wondered how you are.

Sincerely,
