“ *My name is James Wright from Cedartown, Georgia. I met Rolland in 2000 fishing @Logan Martin. We communicated & fished for 19 years every year. We also fished Lake Talquin a couple of times. He will be greatly missed by all of his fishing friends. My thoughts & prayers are with you family.*

“ *My Papa was the most amazing man that ever lived. He absolutely adored and loved his family first. His second love was fishing. He was the best fisherman to ever walk this earth he would give Jesus a run for his money when it came to catching fish. He is sorely missed but will never be forgotten. I miss you so much Papa! Fly high sweet man I'll catch a few for you while I'm here! ❤️*
