“ *Mrs. Krisher and Family,*  
*I was very shocked and saddened to hear about Ron's passing and my thoughts and prayers are with you. I worked with Ron for over 10 years at Hunt Mfg Co. and he was one of my favorite Regional Managers. I somehow (and I can't remember how it happened) nicknamed him "BoBo". The name stuck and I can still remember his laugh when I called him that. The best way I can describe Ron is "what a great guy". I will always hold a place in my Heart for him.##imported-begin##Carolyn Israel (Quattrone)##imported-end##*

“ *To the Krisher Family- I'm saddened to hear about Ron's passing and want to express my condolences. Like many that have signed this guest book, I worked many years with Ron at Hunt. He was always there when I needed him, and was one I could always count on for help! He was knowledgeable, very capable, down-to-earth and just a great guy! My memories of him will live on!*

“ I am so very sad to hear about Ron's passing. I worked with him at Hunt for many years. He came to Nashville once to call on Service Merchandise. I showed him some of our town and we ended up at a pool hall ( this was my much younger, somewhat crazy days :-). Though it was my town and car, Ron made sure I got home safely- in spite of a few adult beverages. What a gentleman. He did continue to kid me about it at future meetings and we had lots of laughs over his Nashville visit. And, on a serious note, he was the premier negotiator and presenter at our meeting with Service Merchandise. I was so impressed with him and his professional skills. And, like others, we continued to swap joke e-mails to current day. He will be missed by many.##imported-begin##Cindy Houston Hazen##imported-end##

“ To the Krisher family, I am deeply saddened and offer my heartfelt sympathy on Ron's passing. I also worked with Ron at Hunt for more than a decade. He maintained a great balance of work and family and did so with a wonderful sense of humor and humanity. When I was hospitalized while attending a trade show, Ron was the first to offer any assistance possible to make the situation easier for both me and my family. He was a true gentleman and a good friend. I am so sorry to hear about your loss.##imported-begin##Dave Kalberer##imported-end##

“ Mary Ellen  
While we never met, I feel as if I known you for many years. Ron always spoke so lovingly about you and your sons. We worked and played golf many times when he worked for Hunt Mfg. Co. I am still shocked that this has happened. I am so sorry for you and your family. May God bless you.

“ Dear Mary Ellen,

*The loss of Ron is just shocking to me. Maril and I are so saddened to learn of his passing.*

*Ron was a great friend, fine businessman and involved in the funniest sales call I ever made in my 30 plus years in sales. If it had a name like a sitcom TV episode it was called 'The Math Test', and Ron, Ike Haas and I sweated bullets as a young buyer tried to understand the potential of adding Hunt's new line of products. We laughed until we cried in the parking lot after the presentation, Ron pointing out that I was doing some serious 'ciphering', as Jerthro Bodine used to say on the Beverly Hillbillies...and he suggested that I might have 'flunked' this one! One in a million guy...*

*My thoughts and prayers go out to you and your family at this most difficult time.*

*with deepest sympathies,*
