“ *Now finale to the shore,
Now land and life finale and farewell,
Now Voyager depart, (much, much for thee is yet in store,)
Often enough hast thou adventur'd o'er the seas,
Cautiously cruising, studying the charts,
Duly again to port and hawser's tie returning;
But now obey thy cherish'd secret wish,
Embrace thy friends, leave all in order,
To port and hawser's tie no more returning,
Depart upon thy endless cruise old Sailor.*

“ I will always remember working with Ron at Honeywell in the eighties. He was a delightful person to know. His boys were just little guys then and they were his pride and joy. He will be missed by many people. My heartfelt love, sympathy and prayers go out to all his family and friends. Ron, may God hold you close friend.##imported-begin##Dot Roberts##imported-end##
