“ I've known Ron for over 15+ years. However, more recently, I had the opportunity to have contact with him on probably an every other day basis. In the past several months our friendship went from good to great. We'd often call or "ping" each other with friendly jokes and sarcasms. He brightened my day. He went out of his way recently to try and comfort me when I lost a family member. He was, as others have said, "A Great Person". I will miss you brother.##imported-begin##Jeff Rayeski##imported-end##
