“ *During a party at my parents house he came up to my room, I was 13 or 14, we listened to a new album and just talked. I Thought he was very cool. Well dressed personable and always very nice and kind to me. We always think we'll see people again*

“ *Ron was truly the best of the best! He always was able to tell you exactly what you "needed" to know (except being able to tell all of us that the long goodbyes needed to stop at our family gatherings) lol! He has always been truly admired for taking care of his family and extended family in such a loving manner. Ron will truly be missed by all and I only pray that God will comfort all of us through our grief journey.*

“ *Ron Keller...
I have been blessed to have 5 true friends, and Keller is one of those.
He was a man of his word, and he loved his family. He was absolutely
silly at times, and serious when necessary.
Good characteristics, for a quality man...
We will surely miss him!*

“ *When I think of Ron, I think of his sense of humor, the sparkle in his eyes and his mischievous grin and the jokes he played on me. A bright spot in the universe went out when Ron left. Chris and Tiffany you are in my thoughts and prayers. I know you all have some great memories. With love, Lana*

“ I, and on behalf of Bill Henning and Tim Byram who have no email access, wish to extend our sympathy on the news of Ron's passing- -both a friend and teammate of ours on the '58 and '59 East wrestling teams. In fact, Tim Byram, at the 95# weight class, was also a state champion with Ron that same year of '59.

But as important as the fond wrestling memories, Ron, Tim, Bill and I spent a fair amount of non-wrestling time together- -whether it was the 4 of us stopping off at McDonalds after a Sat. morning practice with Ron being the chauffer in his '53 green chevy or several Fri. or Sat nites playing some friendly? games of poker- -quarter limit as I recall. But as good as Ron was a 112# wrestling champion, he wasn't too bad at poker either.

He fought it hard and I'm especially thankful that I was able to talk w/ Ron 2 weeks prior to his passing- -what a courageous guy. We'll indeed miss him. Both Henning and Byram were informed by me via phone of Ron. Darrell Wells
