“ Ronald was my brother in law from his first marriage. I loved Ronald like he was my brother. We had so many great times in the many yrs that I have known him. He made me laugh and lord knows I made him laugh. When he would see me his face would light up. He new we were going to laugh alot. I hate this for my very very dear friend. I will miss him very very much indeed. Ronald I love you and always have. I will think of you often. You were my favorite brother-in-law and I will miss you dearly. Save me a place up there.
