“ To the loving family of Ron Lowery, we send our condolences and prayers for strength through the difficult days ahead.

If I should ever leave you whom I love

To go along the Silent Way,

Grieve not, nor speak of me with tears,

But laugh and talk to me

As if I were there beside you.

I'd come_id come, could I but find the way!

But would not tears and grief be barriers?

And when you hear a song or see a bird I loved,

Please do not let the thought of me be sad—

For I am loving you just as I always have—

You were so good to me!

There are so many things I still wanted to do

So many things to say to you—

Remember that I did not fear—It was

Just leaving you that was so hard to face—

We cannot see Beyond— but this I know:

I loved you so—'twas Heaven here with you!

“ Ron was one of the nicest, most honorable men we have ever known. He loved his family with all his heart and treated everyone with respect. Though the pain of sudden loss is great, may you be comforted with the knowledge that he loved greatly and he was loved by so many who had the great privilege to know him. We will all miss him, his infectious smile and his quick wit. May God comfort you in your sorrow and receive Ron into his eternal rest.

“ Shane,
I never had the pleasure of actually meeting your dad in person but I know from the stories you told me that he was an honest hard working gentleman. I am sure you learned your honest hard working work ethics from him. I know you and your family will miss such a wonderful person. My prayers are with you at this time.

“ *I'm the luckiest girl to have married Rons son and become his Daughter many years ago. Having this wonderful, loving, giving, compassionate man to lean on, learn from and share so many happy memories has been an unbelievable blessing. Dad, you were taken from us too soon and we are more than a hot mess without you right now, but we will pull up our boot straps and will continue to live your legacy by being the best family to each other and spreading love to those who cross our paths. We are all better people because of you and you are greatly missed.*
