“ *I am so sorry to just find out that my childhood friend and school buddy has departed. I'll never forget Ron and will always consider him one of my best friends although we haven't seen each other since we were 15 and 16 years old. Ron was a year older but we shared a lot of growing up together. What a great guy and I'm sure he continued as a great man. May God be with your family. RIP brother.*

“ *Ron and Karol have been friends since the very early PMC/CAMS days! We traveled to Alaska together years ago and had too much fun! Even saw a Miata in Skagway. Ron and Ernie combined their mechanical knowledge and Ron's fabrication talents to make trailer hitches for our Possum Posse, when none were available that fit the bill. Some of you may still use yours. We surely do. Ron was the kindest, most gentle man. We shall miss him more than we could say! MayBod cover the family with grace and peace.*

“ *We became friends through out little car club and shared the friendship with Ron and Carol. You welcomed us to the club and made us feel as though we were family and Diane and I will never forget this. We looked forward to our visits and fellowship and Ron will be surely missed. Through a life of love and good, Ron will surely be welcomed to the streets of gold and the loving arms of Jesus. Larry & Diane Dunn*

“ *Ron had a kind soul and a kind heart. We loved riding with he and Karol on Miata trips. In 2016 we took a ride up to see their mountain home. Here is a photo of Ron and Karol on the back porch. Heaven better place because you are in it.*
