“ I tried calling you today, but then I realized someone else has your number... but it gave me a funny feeling. I thought I might have your brother Danny's number in my phone, and I would call him to get your new one - but I didn't have it. So then I thought I would just send you a message on Facebook... but, after reading your wall I discovered my funny feeling was justified.

I was going through some of our last few texts... And, on Oct 11, 2012 you texted me out of the blue, and asked me "When do you start GA State?," and my response was "Huh?!" You never explained, and though we must have talked about it later, I don't remember your explanation, but you sure must have planted a seed! Because I was calling you today to tell you that I start GA State this fall my friend. I don't even know how I got in, but I bet you do, huh!

May you rest in God's Perfect Peace Ronald G.

“ My deepest condolences to the Thompson family.

As I Lay

As I lay, I close my eyes

Is it really Him or just a disguise?

A Great Image walks my way

It said, “You don’t have to worry another day.

Follow ME take MY hand, and let ME take you to MY Promise Land.”

“Promise Land?”, I said to myself

So I took His hand and He led away

To a place I would forever stay

Cry no more, no worries, no fears

The theme of the land rang in my ears

I turned and asked, “Could this be;

The place I think HE promised me?”

“Yes my child, this is the place I promised you

I had a plan and you followed it through

You heard MY voice that fully encouraged

And some doubts may have come that seriously discouraged

But, I gave you strength and a way out

So with ME, you should never have doubt

You've done your duty; you've finished your quest

I was the ONE that laid you to rest

I'm sorry you weren't able to say goodbye to family and friends

Most don't when their quest has come to an end

But they will understand as they often do

And they will remember the day

That I came for you.###imported-begin###Deirdre Woods###imported-end##
