“ *I am sorry that he has passed. I have thought of Ronnie and the family on many occasions. I was excited to connect with Nick, just two weeks ago. I was looking forward to possibly meeting Ron and Nick in the near future. Now just as I have reconnected, Ron has passed away. I will pray for him as much as possible. I am saddened that we were unconnected for so many years. With deepest sympathy to the family,

“ I feel like I have not only lost a friend but a brother. I have known "Ronnie" my entire life, first as little sister to all of my brothers REALLY good looking friends and then later in life we became friends on our own.  
He had the most amazing smile and laugh, and the twinkle that was always in is eye let you know he was up to something.  
My heart goes out to his entire family. We have lost a wonderful man, dad, brother, uncle and friend.  
My thoughts and prayers are with you all.##imported-begin##Peggy##imported-end##

“ Nicole, Jarred and family,  
I was so sad to hear of the loss of your Dad. The loss of a parent is always hard but there will be brighter days to come. I lost my Dad 10 years ago and although I still miss him, my wonderful memories give me comfort. I will always remember Ron for his fun loving spirit and his ability to always make me laugh. Please know that you are in my prayers. I would love to see the two of you and your precious little boy. May God bless all of you.
