“ *Ann, So sorry to hear of Ronnie's passing. I have not seen you in years but I have great memories of the times we enjoyed together. Ronnie was always easy and pleasant to be around and I remember how devoted to each other and how strong you were together. I hope you are at peace. I know how difficult this must be. Please know I am thinking of you and send prayers.*

“ *After many great years working with Ron at GDOT, I was pleasantly surprised to again get to work with Ron with him at Moreland, and myself at Gwinnett Water Resources from 2005 until the end of 2008. Such a smart engineer and kind and wonderful person to know!!*

“ *My sincerest condolences. I was so very saddened to hear and now read this. I have known Ron for over 20 years and worked with him during his time with GDOT and then later while he was a program manager for Gwinnett County DOT. Ron is a gem and truly respected by all. Prayers to you Ann and family as I know he will be so very missed.*

“ *Though my relationship and experiences with Ron were much briefer than most while working at Moreland Altobelli, his wonderful attitude and warm friendship was never the less enjoyed and appreciated immensely. Rest in Peace Ron and God Bless your wife and family in remembering the great times you all shared. Jeff Joyner*

“ Dear Ann, Heather, Holly, and Family!

I think back when I first met Ronnie and Ann through Ronnie's wonderful sister and my dearest of friends Janice B. McNatt who told me all about her family. I remember so fondly their parents Anniversary Celebration, in particular, which Ann and Ronnie Orchestrated!

We were always happy to be with Ronnie as he was such an optimistic and happy person who radiated grace and peace! Janice so appreciated his good care of, his real concern for, and the wisdom Ronnie shared with her, Heather, and Holly!

It has been too long since I've spent any time with you all, but Facebook has provided a great link to keep our friendships alive and to catch up and keep up with your Travels, your Families, your Work, and many Snoopy cartoons.

My, this has hit me like a ton of bricks, but I am just today picturing Janice and their parents welcoming Ronnie into Heaven!

My thoughts and prayers continue to be with you all during this incredibly difficult time, and I send to each one of you much love.
