“ *Missing Ronnie, he was an amazing friend and I will miss him dearly. Praying for all the family to heal as he would want you to. Ronnie loved you all so much and bragged about you everytime we spoke. My memories of him are happy ones. I especially love the time we went to Shelby Ohio to visit and site and he took me to Taco Bell for lunch. He was the best! He was so funny....missing him extra today and hoping sharing my memories helps.*

“ My Name is Taleya Mobley,

I worked Indirectly with Ronnie at Allied Universal, however, whenever I spoke with he was Patient, Kind and took the time to understand. He also never minded to get a laugh or two in. I will miss our small and brief encounters as whenever we spoke my day got a litter brighter.

I want to send my deepest condolences to his Wife, Children and family as a whole.

“ Ronnie was like my own son to me. I am Coach Danny Russell, his high school basketball coach at Maynard High School. Maynard was my first coaching job when I left college. I only stayed a year but I was so fortunate to have had the opportunity to learn to love a hard working and loyal young man named Ronnie Cline. The day my wife, Nedra, and I left Maynard, Ronnie was sitting on the hood of his car crying when we pulled out. Our strong bond never ended and Ronnie lived with us for a couple of months and began working with my Dad on the railroad. Nedra and I offer our heartfelt condolences to every member of his family. Simply said, we love Ronnie and we know he loved us. Our assurance is that he had so much love to give and we know he loved the Lord. Just to let his grandchildren know we loved him when he was a teenager and wish we could have met each and every one of you.

“ *Having worked with Ronnie for over 9-years, I can honestly say that he was one of a kind; caring, dedicated, hard worker, a true talent for our industry - and an absolute delight to be around. I can recall many funny and lighthearted moments that we shared as we grew our old company together. But through thick and thin, you could always count on Ronnie. He will be missed by many.*

Having lost both my parents and close relatives, I know first-hand the grief you are feeling Karen. Moreover, as a State Trooper, who literally had to notify hundreds of folks that they had suddenly and inexplicably lost a loved one, I learned long ago that there are no adequate words that will ease either the pain or the loss you feel.

However, please know Karen that you are in my prayers and you have my deepest sympathies.

“ There's just not enough words to express how we felt about Ronnie. He had such love and respect for us. If there was ever a need, Ronnie was there to help. His heart was full of love for people. He showed it in so many ways.

My favorite time with Ronnie was fishing at Buster's farm, especially when the fish were not biting. He'd have all kind of excuses for them. We'd share each others bait.

AS Ronnie would always give me a hug, I could feel the warmest that he had.

My heart goes out to you in the family. I know how your hearts are broken now.

I can only imagine what Ronnie is doing right now and looking forward to meeting us again!

I pray that God will give you the peace and strength to celebrate his life.

Jerry and I are here if you ever need us for anything.

God Bless.

“ Hello. My name is Tom Temple and I am a procurement manager for DHL, based in the Columbus Ohio area. Please accept my sincere and heartfelt condolences to your family at this time.

I had the distinct pleasure of working with Ronnie for the past six years as he represented his company as a national account manager to DHL. At all times Ronnie was an exceptional representative of his company and worked tirelessly on behalf of his company and mine to achieve great results. Ronnie was very professional and knew his business like no other account manager I have ever come across in over 26 years in procurement.

Ronnie was always quick with a handshake and a smile, even when things were not going great. And in those times, Ronnie always took the approach that the glass was half full and he was going to fill it up the rest of the way. I always looked forward to our meetings or just the times we spoke over the phone.

I will miss Ronnie very much as he was a true gentleman, professional, and a pleasure to be around. I considered him a friend. My best to your family during this difficult time.

“ *Ronnie was a great colleague and trusted friend to anyone he worked with. I had the pleasure of working alongside him for several years and his dedication to God, family and his teammates were evident and meaningful to me and others. Our clients loved Ronnie because of those personal attributes and his dedication to always do the job the right way.*

Karen, my prayers are with you and your family, and all of Ronnie's extended loved ones.

May God bless you all and I know Ronnie's life celebration will be filled with high spirits and pats on the back...in Ronnie's loving and dedicated way!
