“ i really thought alot of ronnie, have known him since the 80's when we worked for securtronices of atlanta. he was the kind of friend you could start right up with even if you hadn't seen him for a long time. i often ran into him at the huddle house in snellville. he always had a ready smile and good tidings for you always. he was truly a kind person. i knew him to be a good father, a good husband and a wonderful friend. if you needed him, he'd always help you anyway he could. i know that god will heal and confort your broken hearts. my deepest sympathy for his wife, children, and family. my heart it saddened by the loss of ronnie sheppard. p.s. i entered twice, i must have done something wrong the first time. this would tickle ronnie, he found humor in so many things.##imported-begin##delores peters hughes##imported-end##

“ Dear Mary Jo,
Dick and I were shocked to learn of Ronnie's death. He was so much a part of our lives as he worked on projects at R&S, Inc. He diligently kept things running for us (and many times in spite of us), yet he never (or almost never) lost his great sense of humor. He kept us smiling and looking at the lighter side during some difficult times. We were so grateful for his work and always loved to see him coming!
When our mother was no longer able to walk, he blessed our whole family with his attention to detail in building a ramp from her front door to the drive and ramps that allowed us to roll her around to her front deck to enjoy her favorite thing - that beautiful view of Lake Lanier. After going far beyond the call of work, he added your wonderful gift baskets at Christmas. (I dream of that magnificent bread!) You both added much joy to our lives.
Our hearts ache for you and your family. Please know that we are praying for God's grace and peace now and in the days to come.
In His Love,
Dick and Judy Jones##imported-begin##Dick and Judy Jones##imported-end##
