“ *Rose was an amazing, strong woman who I was blessed to work with. Always quick with a smile and an encouraging word she was a light to all who knew her. My prayers are with her family. May you take comfort in knowing she is resting without a care in this world.. with our Savior.*

“ Kind and gentle and considerate, that is the Rosita that that I know. Rosita was more concerned about the health of others than she was about her health problems. She always asked me about Graciela and was always praying for her. I am certain she is now praying for all of us. She will always be with us.

“ *What Rose left with me was genuine friendship, laughter, and kindness. She loved her family and she was so proud of her son. She was my sister and we often spoke of our Brooklyn experiences. I will miss her laughter but I have the great memories we shared as educators. I know she has won her race and is resting peacefully in God's arms.*
