“ *There are no words I can say to explain the unbearable pain I am feeling today. You were not only my baby sis, you were my inspiration in so many ways. I will miss our talks, texts and how you use to love to tell a good joke... the memories of you will live forever in my heart. I will miss you my little sis but I know you're resting safely in heaven so R.I.P. I love you always...your big sis, Jackie*

“ *So many memories to share :I remember the very first time I saw Roxie ,I was at school and your granddaddy brought this beautiful little baby girl into our lives. She was always "my baby". I'm going to miss hearing her say " Hey auntie, it's Roxann". Take your rest sweetie, you fought a good fight.*

“ *Roxane I remember when we first met at Calvary Baptist Church in Choir rehearsal. You were 12 and I was 13. We hit it off immediately and became best buds from them on. I have a ton of good memories that I know I will think of often. Love you my friend and Rest In Peace.*
