“ During his life, Roy never cared about his Grandchildren, he never acted like he had any. Seeing that it took almost a week to get his "3 Grandchildren" mentioned, only validates this.

At least someone remembered to add us, just couldn't remember our names.##imported-begin##Grandchild # 1##imported-end##

Your smile and laughter will always remain within my heart, and when I think of you I'll be seeing your smile and hearing your laughter. :-) Bev##imported-begin##Beverly Sapp##imported-end##
