“ Ruby was very special and one of my favorite Aunts. I will always remember the times on her porch in Clyde as we sat and reminisced. She grew beautiful flowers and I am proud to have two of her rose bushes. She was so good to my Mother when she started showing signs of Alzheimer's disease. I often teased her that it was too bad we couldn't trade brains as her's was still so bright and my Mom's body was in great shape! I'm sure there is a great reunion going on in heaven right now! I will always have fond memories of Ruby.

“ Dean and LouElla , I am so sorry for your loss. I have very fond memories of being in your home and our mothers' close connection. Ruby was a very talented and outgoing lady. Mom thought she was the best cousin ever! I appreciated all that she did for her. I will keep you and your families in my thoughts and prayers. Renee Leonard Stamey
