“ To my loving sister,
Ruby you have been the bestest friend and sister any person could ever have. We have been friends forever, I love you and will miss you. I hope you knew just what you meant to me, since God didn't let us be sisters by birth, he did the next best thing, he made us freinds!
I will never forget you, and I am looking forward to the day we can have coffee again!!
Your loving friend

“ Aunt Ruby,
I love you and will miss you very deeply. I hope that you understand that I cannot be there in person, but I am most definitely there in spirit. I will never forget you the longest day I live. You taught me and shared with me things that have stuck with me my entire life. And for that I thank you very much. SO keep the coffee on and I will join you in heaven whenever the Good Lord calls me home too.
love you as always,

“ I knew Ruby through the Giving Board Angels, and she was the truest angel there. She reached out to a friend of mine, and provided me with many a laugh. We joked about "scattered, smothered, and double covered", as we both worked many years with Waffle House. Her regular emails will be so missed, she was one of a kind, and my prayers are with her family. I know you will miss her even more, but you know she is with the Lord now, no more pain, only smiles.

I'll miss you Ruby.

I love you.
