“ *Dear Chita, Todd, and Tracie,
I am so sorry for your loss. Lee was a nice man who was always ready to tell a joke or funny story whenever I saw him. Even though I haven't seen you all in years, I can still picture him doing that.*

Chita, please know I am with you at this time and wish I could be there.

Love, Ginny

“ *I'm so sorry to hear of Mr. Spruill's passing. I met him when he was a patient at GMC last year, and we realized that I had grown up down the street from his father on Amberly Way in Snellville. The Spruill family is in my thoughts and prayers at this sad time.*

Thank you! My dad spoke very fondly of you. He was just amazed that you lived so close. Thank you for being kind to my father. During his 9 month journey there were a lot of people who were not. It really did his heart good. Hope you are staying safe. May God bless you and your family! Much love his daughter Tracie.
