“ *Ms. Ruth was a volunteer in outpatient at Piedmont Walton. She was always willing to help me whenever I asked her to. We had some fun together too. When the hospital was Clearview, we had a fish that she helped take care of. She named him Moses. When he died she wanted to give a funeral for him so I made him a coffin and she and the security guard buried him. She was a special person.*

“ *I've worked with Ruth At Piedmont Walton. She would say something sarcastic and say "did I just say that, that's my one bad for the day" then we would laugh. I will miss her so much. I love ya Ruth.*
