“ Evelyn, I am deeply sorry for your loss. I can only imagine what you may be going through right now, but take the time to celebrate the life Sahadeo lived. I know it is hard now, but with time, even the deepest wounds will heal. Remain strong, not only for yourself, but for Kevin and Daniel as well. They will need you most in this trying time. It saddens me that I cannot be there in person, but I know you have a great support system around you. My thoughts are with you and the children Evelyn and please call me if you need ANYTHING. With all my love, Ricardo.##imported-begin##Ricardo Najjar##imported-end##

“ To the Tillack Family: We have lost a valued and beloved member of the Eastside Medical Center family. My heart goes out to all of you in this difficult time. I will miss seeing Sahadeo's bright smile. His love for family was always apparent, as he lectured me routinely on holding my two boys close. He always told me, "Family is everything." May God bless you in this time of grieving. Your entire family is in our thoughts and prayers.###imported-begin###Drew Tyrer###imported-end###
