“ *I met Mr. Sam 5 years ago when we moved in next door to him. He and my husband would meet in driveway numerous times and he would tell stories about his wife and military experiences. My 3 kids and I would take him food or treats every now and then and he would always insist that I come in. He would show me pictures of his grand babies and tell me stories of them. When he would see us out walking the neighborhood he would come out and tell us how much he loved doing the same years ago. If there was ever a strange vehicle in my driveway he would ask about it and tell me that he was always watching! He would watch my kids play through his sun room. He was a ray of sunshine and will he missed! Praying for the Macenczak family!*
