“ *Sammy was my client but also my friend. They say you should tell someone you love them/how you feel about them while you still have the chance. I can honestly say Sammy left this world with no regrets in that regard. If you knew Sammy and he loved you, he made sure you knew. He was such a gift to this world. Miss and love you, my friend.*

“ *I met Sammy through his wife Marie, when I did her hair at my salon in loganville. We talked about everything under the sun. He was a very great man, I loved talking with him about his mules. Especially the one that kick Marie in the face. At one time they were going to do my country wedding with his mules. He will be greatly missed by all. Rest in peace my friend.*
