“ *I've known Tommy many many years. He was one of the kindest gentle men I have ever known. I loved him like a brother for over seventy years. He and Betty together made a very happy family. Tommy always told me what a blessed man he was. He was so happy he had found the Lord.*

“ *Sam was such a gentle, sweet man. Don & I met Betty & him at 12Stone. They joined our small group and since that time, we have been life long friends. We're gonna miss his wit and stories of GA Tech. Until we meet up again in Heaven, we'll miss you, Sam.*

“ Sam and I were good buddies while talking at 12Stone church on Sunday morning before the service. He was very reliable and served as an usher for many years. He was so very kind, gentle, polite, and gracious man. His sharp mind was incredible. He had a keen memory and we talked technical stuff. He's the stuff I imagine an Angel is made from. Love, David
