“ I thought of you today not knowing that you had been delivered into the arms of our Heavenly Father. I absolutely loved you and I appreciate every memory, moment and love we shared. I know that you are finally free and out of pain. I only wish that I had known so that I could have been there to give you one last see you later, but I know that you are watching over me and I have one more guardian angel until we meet again.

Praying for your family. I love you Sandy.
