“ *Sandra was one of the sweetest people you could ever meet. She always greeted you with a smile. She was eager to help in any way she could. If I had closings there she was quick to deposit my check and let Mona know she had it. If I had a closing in the area and couldn't make it back to Hamilton Mill before closing she was happy to take care of it. I am blessed to have known such a wonderful lady. She will be greatly missed by all. May God give her family & friends strength to go through this dark time.*
