“ Sandra and I went to school together grades 1-12. It was always a treat to go home with Sandra, not only was her mom a terrific cook, the house was, like the one I grew up in, filled with love.

As kids, we played together. As teens, we shopped together and dated together. Sandra taught me how to drive a straight shift in her daddy's old truck.

After graduation we went our separate ways and sadly did not stay in touch. I regret that very much. I also regret that I did not learn of her illness until just recently.

I am thankful that I had the pleasure of knowing Sandra. I cannot find the words to describe her as she should be described. She was a lovely person, inside and out.

She was thoughtful, honest, compassionate and kind. She kept her word and always had a smile. (she was a great basketball player too!)

There will never be another Sandra, but her memory and her kindness will live on in each of us. She will never be forgotten.

“ I was both shocked and saddened to learn last evening that Sandra had passed away. I knew her Father Hulon very well from our work together many years ago. I visited their home many times on Crooked Creek Road not far from Norcross. Around 1966 Hulon gave me an English Setter puppy that I named "Bo." He was White with black patches and spots and a touch of brown. "Bo" was a naturally magnificent bird dog. One day at an art sale many years later I saw a painting of an almost identical English Setter "on Point" in the field. It was expensive for my budget, but I bought it anyhow and have never regretted it. Every time I look at that painting I think of the Johnson family and their values, respect for others and appreciation they demonstrated for everything they had. Sandra was especially kind, thoughtful and caring. She was a unique person who knew what she wanted from life and was willing to work hard to achieve her goals. Their Mother, Ruth was devoted to her family and took great pride in their participation in scouts and other activities. I feel a great loss knowing that Sandra is no longer among us, but there is no doubt where she is now. During her time on this earth she was a wonderful person and outstanding positive contributor to others and her community !
