“ *We have known and loved Sandy for the past 55 years and will miss her tremendously. Sandy was ALWAYS upbeat, smilely, and fun to be with. She was a devoted Christian who lived the Golden Rule. To have "history" with Sandy all of these years has been a blessing to us. We stood up to each other's weddings, attended many, many parties, (along with double dating in teenage years,) and am a godmother to their first born son, Don. I am a member of Girls' Club, along with Sandy, and we are a devoted group of gals who have met since 1956 and supported each other throughout these years.*

It was our privledge to have known and loved Sandy.

“ Sandy was always full of fun wether on the bus to High School or family trips to a tabaggon slide with my family or to the pool at sysamore with her family. We also enjoyed the high school youth group at Church. Even though our paths have been different we have been in touch over the years sharing the joys and sarows of life.

Sandy was a beautiful friend in Christ. I pray for your families comfort in mimories of her.##imported-begin##Shaon Trumbull Bucher##imported-end##

“ Sandy has meant a lot to me. I always enjoyed being in her company. She was always very joyful and caring. I got to know her through our Sunday School class. She also had a sense of humor, which added to her personality.

She always talked about how much her family members meant to her, children, grandchildren, and in-laws. After God, she always put her family first.

She was a servant at the church and her knitting started a new kind of service which touched many sick people who received knitted afghans (spelling).

I had prayed for healing for her here on this earth, but God had a greater plan for her as He prepared to receive her into His heavenly home. Praise God from whom all blessings flow!

I will truly miss her, but know she is in a much better place.

I would like to express my deepest sympathy to all members of the family.##imported-begin##Jane Alford`##imported-end##

“ Sandy Metcalfe was a most interesting individual. She didn't mind sharing what she thought, and caring about what I thought. I loved her sweet spirit and sense of humor!
She really loved her Family. Every visit with her revealed a little more of the love and admiration and appreciation she had for each and every Family member. The care she received from her Family during her illness is a testament to their love and respect for her. There will a void in our knitting circle since Sandy was the person who inspired and motivated each of us to make prayer shawls and more HATS. I treasure the prayer shawl she made for me. She will be remembered as a woman who loved God, her Family and her Friends. I know she has an impish grin looking down on all of us from Heaven. God Bless you sweet and precious Friend.##imported-begin##Gloria Berry##imported-end##

“ Sandy was a beautiful, warm funny woman who always had a smile on her face and a warm glow to her countenance. She always had good advice and accounts of how she encountered life and shared them in Sunday School. She loved the Lord and I will miss her life lessons and her beautiful smile. May God give the family peace and comfort knowing that she is in heaven, with a beautiful, young, healthy body waiting to receive us at our destined time. We will miss you Sandy

“ My mother gave me the gift of freedom through her unconditional love and uncondemning heart.

Growing up our home was always open to anyone in need of an open ear. She guided so many of my friends through troubled times simply by being there to listen, often when their own family had already shut the door.

Her passion for history, creativity and her simple, honest faith were a guiding light that will never be extinguished. Even when she didn't agree with the particulars, she always encouraged curiosity and exploration.

I have a sense of heritage, that so many today have lost, because of her memories and interest in our family's roots.

These are gifts that can only be repaid through returning them to others. She was a beautiful woman, and her spirit continues to give through the lessons she lived out every day of her life.###imported-begin###David Metcalfe###imported-end###
