“ *James and Family,*

*It was our joy to meet Sandy on the Mississippi Coast at the Baptist Conference Center. We were "house parents" for the young people who were on staff for the summer. One evening Sandy came in to our apartment inquiring about her spiritual state. Dewey had the privilege of praying with her to invite Christ into her life. For Sandy our journey continued after the summer. We stayed in touch as she went to college and during this time we prayed with her for a Godly husband. James, you were the answer to that prayer. Our children considered you and Sandy their adopted aunt and uncle. Many special memories were built through the years.*

*Now she has gone to be with our Lord. We continue to look forward to the great Home Gathering of the Saints when we will all be with Jesus for eternity.*

*We love you and will continue to pray for you.

“ James, David, Ryan, Reece – and Nita,  
What a special friend Sandy has been to me and to our family. We were blessed to have shared so many years together – the “prayer times” and “praise times” just thanking the Lord for His many blessings.

What a precious neighbor, so sweet and caring – and oh how she loved our kids. During those days, if David was not at our house - it was because Blake and Kimberly were down with you guys. Those were fun, precious years.

We prayed together and kept in touch after moving from Oakland North. I am so thankful we did – and for a long time after you guys moved, Sandy and I still had our once-a-month-lunch in Lawrenceville.

James, we know that you cherished Sandy and she knew you were the greatest. What a great example you two were to us --- and to Blake and Kimberly.

We will forever have loving memories and look forward to seeing her in Heaven. Our prayers are with you and the boys - and with Nita.

“ I've known Sandy since elementary school. But my fondest memories were when we were in high school, youth choir and church together. We had so much fun riding up and down 8th Street on Friday and Saturday nights. Sometimes when we would get bored, we would climb into the church through a window and play ping pong. The pastor would hear us and make us leave. Those were the days. As we grew older, life took us in different directions and we didn't see each other very often. Yet, I still consider her one of my best friends. She will be missed very much.

“ Dear James and family I will always remember the good time we had at "Grandma"s house in Kemper county. I got a 22cal rifle as a gift, we would put up targets to shoot at. Sandy out shot me most of the time. On May the 18th she reached her "target": Heaven. One day, I will see her again in that beautiful place. I am praying for your family. May the Lord Bless you! “ My earliest memory of Sandy was elementary school when she brought each of her classmates a set of chop sticks. Her family had just moved back to Meridian after living in Thailand for a while. But my best memories of Sandy were when we were in high school and church together. On weekends we would ride up and down 8th St with other friends. If we got bored during the week we would occasionally climb through an unlocked window of our church just to play ping pong. The pastor would eventually hear us and make us leave. As we got older, our lives took us in different directions and we seldom got to see each other. Even so, I still think of Sandy as one my dearest friends and she will be missed very much.

“ My sweet sweet miracle cousin, Sandy often would say "See you later, aligator" and I would reply "afterwhile crocodile" . So, here's to her memory , will see you Sandy, afterwhile.

“ *There is a hope that stands the test of time, to see the matchless beauty of a day divine, when I behold His face! When sufferings cease and sorrows die, and every longing satisfied. Then joy unspeakable will flood my soul, for I am truly home. "Well done, good and faithful servant".*

“ *Dear James and family: Rarely has there been such a precious soul so willingly shared with such a multitude as was Sandy. When Don died she jumped in to my life with sweet grace from Father God and blessed the socks off of me and my kids. She was every kids adopted mom. I never saw her frown. She loved Christ and loved sharing Him. She honored Him by loving and honoring you, James, and your kids. Thank you for sharing your bride with so many of us. Now we share our prayers with you as you grieve Sandy's loss from this earth and praise as she has entered the portals of heaven.*

*God bless you, dear ones.*

“ Dear James, David, Ryan and Reese,  
We are so very sorry for your loss. Next to the Lord, you were Sandy's world; she loved you deeply. She was indeed a remarkable lady and looked for the good. We were all blessed that God gifted us with her presence and even more grateful she is at home with her Heavenly Father; and that this isn't the end, just a pause as we can/will all be with her again one day. You are in our thoughts, prayers and hearts. Ken Sharp and Sheryl Black

“ Sandy has been my friend since elementary school. We were best of friends thru out Junior High and High school. After we both married, we lost touch for a while but when we both had moved to Georgia our friendship sparked again Every year it seems we grew closer and closer again. She was the sweetest and kindness person. I know she has many rewards in heaven. You will be missed by so many friends and family.
