“ *So sorry to hear the passing of Aunt Sara. She was a dear and special woman. So sorry we couldn't attend the services, my mom has dementia, she said she didn't feel like coming to the service and I cannot leave her very long. But know that even though you didn't see our faces, you all were in our prayers. She will be missed. We loved her dearly. I lit the rose candle because of her love of flowers.*

“Joyce we are so sorry to hear of your mother's passing. Sara was a sweet member of our Sunday School class. I treasure the scarf she made for me several years ago.

“Thank you so much for letting us know about your mother's passing. She held a special place in our hearts.

Thinking of always brought a smile to my face. I loved her and all of you. You were such a positive influence on my young life. Today, Myrna and I were remembering many of the happy times we shared. We talked about Monopoly, croquet, badminton, skating on the front porch, "race cars," cookouts on the flat rocks and early gymnastics in the old cedar tree! No matter how long we played, she always made us feel welcome.

When I saw her last, at her 90 th birthday, we talked about those days and how happy we were to have had them.

I will not be able to attend the services, but I will hold her and all of you in my heart.

*With deepest sympathy and love,
