I worked with Ms. Sarah at Walton Mill. She gave me a Japanese Maple to plant in the yard of the home Theresa and I built in 1975. It still flourishes in our front yard! I know she will be missed. John

Thank you so much!!! Her Japanese maples were so beautiful!! If you don't mind my asking, where is your home? I would like to ride by and see the tree sometime. Mama gave me a few trees over the years but I never could get them to get over 5 feet before they died. Thanks again!! Betsy
