“ *Sarah had an incredible talent for flower arranging. She did most all of my Christmas pieces and other year round arrangements as well as many for my family. I first met her when she started going to the Brookwood HS craft show. Thoughts and prayers are with all of her family.*

“ *Sarah was a gift. She was like a second grandmother to me. She worked circles around most people half her age and she was so unbelievably talented. I will never forget the days I got to call her and tell her she sold things at the shop. She would get so excited and her smile was contagious even through the phone. She made everyone's day when she was around. Her courage and grace were a blessing too. I used to tell her all the time that I wanted to be just like her when I grew up; God willing I will be at least half the woman she was. Sarah, you will be greatly missed; I am so grateful for our friendship through these past few years and I will be forever grateful to God for allowing one of his most beautiful angels to bless us here on earth.*
