“ I'm so sorry to hear of Mrs. Moon passing away. You all have been so wonderful with her especially as her Alzheimer's set in. God blesses those that care for a loved one like you have. My dad has always thought the world of her and I'm so grateful that I was able to visit her over the past few years. I'll continue to keep you all in my prayers.

“ My heart is with all of the family right now. I know the pain and hurt you are going through and I know it's not easy. We have so many great memories of Nanny. She was so much fun to be with. We know that every time we think of her from now on, we will find ourselves smiling and laughing because that's the way it was every time we were with her. We are so thankful that each one of you have so many great memories with her to cherish forever.

With Love,
