“ I was fortunate to be part of the Thursday card group Playing Phase Ten with Sarah and her sisters. They called me the adopted sister Sarah was the best cook and always made it seem so simple. She always greeted us with a big smile Our Thursday's will not be the same without Sarah. I will miss her deeply and will cherish our fond memories. I know God has a Special place for you in Heaven.

“ Sending all our love and prayers for healing through this difficult time, I'm so incredibly sorry for the profound loss of Aunt Sarah. That is how I think of her as Aunt Sarah even though I haven't seen her in a long time -I do for sure know- I am honored I had the privilege to know her and it broke my heart to hear of her passing. I have nothing but the fondest memories of her. With love - Lisa, Derek & Davis Dollar & Addison Howard

“ Sarah was such a sweet loving person. I loved singing around ensemble at sunrise Baptist. She had the best sense of humor and was so easy to smile. Her husband Joe, passed away 3 years before my husband. She always had an encouraging uplifting word to say and sometimes it was just a nod but understanding and the caring compassionate look. She loved traveling and I would always get after her because she didn't tell me about the trip and let me go with her. I know those of you that are family that had her with you so much are going to feel a voice even though you know where she is. My prayers and thoughts go with you
