“ Dear Perry, Tom, Mary & Frances: I am so sorry to have to say goodbye to our Sara. She was always a good friend to me and you all were so kind to Ed. We loved Clyde too. Calumet Circle will never be the same.
It will be two years since I said goodbye to Ed. I miss him a lot and know he would be sad about Sara too. I support the Alzheimer's Association and wish they would cure this horrible illness. I am in a Retirement Facility. Doing fine so far. Love, Ginny##imported-begin##Virginia (Ginny) Carlton##imported-end##

“ Sara Lois was my Mother, Kathleen Ethridge McGee's, best friend growing up in Lawrenceville. I heard stories all my youth of the wonderful times Mother had at the Perry home during her own youth. She loved the entire family, but especially Sara Lois. When Mother passed 4 years ago, Sara Lois was the 3rd person to sign the visitation book and I told her how much Mother loved her and the extent the Perrys open arms meant to Mother growing up during the Depression and World War II years. I offer my sincere prayers and condolences to the entire family.##imported-begin##Vicki McGee Walden##imported-end##

“ To Perry and Thomas,
Just this afternoon, before she had even gotten the news about Sara Lois, my mother, Catherine Johnson Telford, and I were looking through some of her old photos and came across so many with your mother in them. Our mothers, best friends as they were, had such wonderful times together, growing up in Lawrenceville! Please know that you all are in my thoughts and prayers during this time of loss.
With much love,
